

SERENA SUPPORT

Maximize your investment with Serena's award-winning support

Managing change can be a formidable challenge. Serena supports you from start to finish with robust products and solutions, backed by comprehensive customer support. You get award-winning expertise around the clock so you can maintain business continuity while maximizing productivity.

Our comprehensive support program includes access to experts online or via telephone, along with Serena's global support web site which provides 24x7 access to a community of experts, product updates, and resources focused on helping you leverage the full power of your investment. On this site you have anytime-access to complete case management, a comprehensive technical Knowledge Base, product news, product updates and documentation, and licensing information. You can also communicate with product experts, participate in customer forums, and vote for product enhancements online.

Accessing and Using the Serena Support Web Site

Your named primary and alternate contacts have unlimited access to all information on the Serena support site. Additional read-only contacts can access the Knowledge Base and view submitted cases. Register at <http://support.serena.com> (Serena product serial number required). Need help? Email us at support@serena.com.

Support Site Highlights

CASE MANAGEMENT & ONLINE ACCESS

Not only can you submit, update and view cases, you can now diagnose issues online LIVE via Instant Chat with a Serena technical support representative, allowing you to resolve issues more quickly.

KNOWLEDGE BASE/SOLUTIONS

Our Knowledge Base contains thousands of technical tips and product usage information that can be searched using keywords, phrases or other criteria. The Knowledge Base also allows you to view solutions for known issues with links to the product fix where applicable.

VOTE FOR FEATURES/ENHANCEMENTS

Your voice counts! Vote online for new features and enhancement requests, and let our product teams know your priorities. Each vote is carefully considered and provides important input to our product release cycle.

CUSTOMER FORUMS

Collaborate, exchange ideas, or receive notification of discussions with other Serena customers. Customer forums, threaded discussion groups, and live online sessions are a great way to expand your business solutions and find new, creative ways to extend your product usage.
